I, Clayton Engelbrecht, hereby declare and state as follows:

1. This declaration is based upon my personal knowledge unless otherwise indicated. If called upon to testify as to the matters stated herein, I could and would competently do so.

2. At the time of the Camp Fire, I was living with my brother Blake a few miles from my parents' home off of Centerville Road. When I heard the fire was approaching my parents' home where I lived for many years, my brother and I went to assist with the evacuation.

1 3. I thought the fire was far enough away but it made its way to my parents' home later
2 that evening. I was forced to fight the fire with my father and brother in an attempt to save our
3 house. We fought the fire from approximately 8 pm to 2 am. We saved the house but lost many
4 other structures and trees. I suffered significant smoke inhalation and emotional distress.

5 4. My mother and father had retained counsel to submit claims, and I mistakenly thought
6 that I had counsel who would submit a claim for me in the bankruptcy. I did not realize this belief
7 was mistaken until recently, well after December 31, 2019.

8 I declare under penalty of perjury under the laws of the State of California and the United
9 States that the foregoing is true and correct.

10 Executed at Chico, California, on July 23, 2020.
